

OUR MISSION 我們的理念

St. Anthony's Kindergarten & Nursery was founded in 1989 and providing qualified pre-school education to children aged 3 to 6. Our Nursery provides day care service to toddlers aged 6 months - 3 years old before they enter Kindergarten.

Committed to working with parents, toddlers are guided to develop basic skills to adapt to our ever-changing world. Our efforts are aimed on the mental, emotional, social, and physical development of toddlers.

St. Anthony's mission is reflected in the following statements:

Staff. Teachers and caretakers act as role models, focus teaching and caring in exploration and guidance through learning activities and develop a daily life routine.

Campus. Our facilities provide an environment carefully and purposely designed for young ones, paying attention to aesthetic and state-of-the-art technology.

Play and Learn. Each day includes a range of activities rich in cognitive, creative skill-building, and role playing.

Skill-building. Emphasis on exploration, sensory development, awareness, physical development, and cognitive skills.

Security and Sanitation. A safe and healthy environment is maintained.

ACADEMIC STAFF, FACILITIES AND SERVICE 師資, 設備及服務

All teaching staff and caretakers are qualified, well-educated, properly trained and experienced.

Our campus is located in the heart of the commercial district in Macau. Facilities include a dramatic play center, library, dance studio. There is also a sensory, Art, Dining and Nap area.

Throughout the day, there are break times for lunch and refreshments, all of which are freshly made from the campus kitchen. Ingredients are fresh and carefully selected to provide a nutritious and hearty diet for the children. Refreshments include some home-baked cakes and bread.

To maintain safety and security, digital video surveillance is installed to monitor the campus on a 24-hour basis, including fire detection and burglar alarm system.

The atmosphere is controlled by an approved IQAir® air-purifying system and eco-friendly air-conditioners. Sanitation is carefully controlled. The whole campus and facilities are regularly sanitized with routine cleaning and ultra-violet sterilization.

CAMPING

MEDIUM OF INSTRUCTION AND CURRICULUM 教育語言和課程介紹

Play is an important part in our Nursery. Toddlers engage in dramatic play with themes. Through their imagination, they can learn how to be creative.

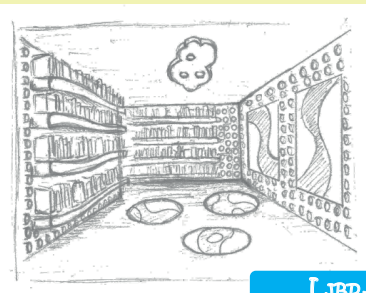

In dramatic play, themes reflect their daily life activities and children take up various roles in a themed setting and an enriched environment inspired by daily life activities. Toddlers are presented with the opportunity to practice these skills through dramatic play. There is a lot of interaction strengthening social skills.

Toddlers start their day with greet my teacher. As they prepare for play, they engage in English literacy and numeracy, sensory experiences, and play with props.

Toddlers learn daily chores to practice self-care skills, which include self-feeding, toileting, and hand washing.

Reading at an early age begins here. Everyday there is storytelling and nursery rhymes. There is a library equipped with a collection of over 300 books. Cheerful children enjoy singing and dancing. And that's where they have Music and Movement in the dance studio.

These activities develop the fullest of their physical, cognitive, emotional, and social potentialities. There are monthly celebrations; birthday parties for children and festivities inviting parents too.

LIBRARY

角色扮演是本幼兒院的核心部分，幼兒參與戲劇主題，通過幼兒的想像力，學習如何具創意特色。

以不同主題的戲劇扮演反映幼兒日常生活等活動，孩子在預設的主題及豐富的環境中，嘗試在日常生活中激發多元化角色。幼兒更透過戲劇扮演機會，當中提供很多的交流互動，讓幼兒增強社交技巧。

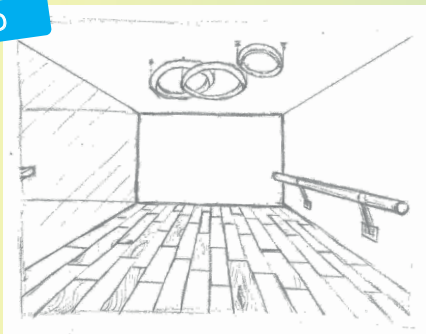

每天的開始先從幼兒與老師問好，角色扮演的準備，會融入英語，數字，感官體驗及加入道具等元素進行扮演。

幼兒日常會學習自理能力，包括進食，上廁所及清潔雙手。

幼兒早期階段開始閱讀，每天會進行故事閱讀及童謠歌曲。圖書館內擁有超過300本以上的書籍。孩子享受歌唱及舞蹈的喜悅，在舞蹈室盡情發揮對音樂與律動的興趣。

琳瑯滿目的活動有助幼兒發展體能、認知、情感及社交素養。每月會舉行慶祝會，如：幼兒生日會及邀請家長參與節日慶典。
